The time came for McRae Engineering Equipment Limited to update our Website and we chose Vestra Inet.

Simon from Vestra Inet helped us make a clean and stream lined website, that enabled our customers a fast and effective method for viewing our products.

Simon is relentless in his pursuit to attain a clean and professional looking website. He is always ready to help with any changes you might request.

The new website has led to numerous new customers and an increase in sales.

A handwritten signature in black ink, appearing to read 'Simon', is positioned on the right side of the page.
